

Some of our Selections

Oat Bran

Whole wheat flour, oat bran, and rolled oats combine for unique texture and taste. The perfect toasting bread.

Onion Dill Rye

A blend of whole wheat, and white premium flours. Add in some dill and onions, et voila, a wonderful, full-flavored bread! Top with a bit of ranch dressing to make the perfect hamburger bun.

Corn Bread*

A sweet, yellow corn bread with butter added to enhance moistness.

Sunflower Whole Wheat

We add lots of sunflower seeds to our Honey Whole Wheat bread to give this loaf a light, nutty taste. One of our favorites!

Apple Almond

More like a delicious apple cake than a bread. Fresh honey whole wheat bread chock full of apples, almond slivers and a touch of cinnamon. It's a breakfast toast or tasty "anytime" treat for young and old.

Garlic, Herb Peasant Loaf

A melt-in-your-mouth, delicious table bread. Served heated it's a great accompaniment for any meal.

Swedish Rye

Light rye bread without the seeds. No caraway or fennel seeds here. Just a darn good light rye bread that goes well with just about everything.

Jalapeño Corn Bread*

We take our corn bread then add a few red peppers and jalapeños for color and spice. It's sensational!

Challah*

A traditional Jewish holiday bread, perfect for celebrations in your home. A delicate, well textured egg bread with a light golden color. Braided and meant to be torn apart. Dig in!

Black Russian Rye

For those people with a passion for a dark rye bread. Hearty rye flavor speckled with fennel and caraway seeds. The perfect spinach dip bread.

Cranberry Orange

A distinctive bread that cries for attention. See for yourself. Big fresh cranberries in almost every slice and the always present orange aroma and flavor gives this bread an A+ rating for any social gathering or solitary snack (seasonal).

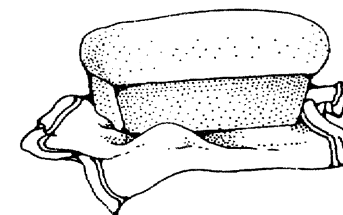

Cranberry Pecan

Lots of sweet dried cranberries and pecans baked in a light wheat loaf, sweetened with honey! Toasted or as a dessert - it can't be beat!

Peach Spice

A real delight for anyone who loves peaches. A light fluffy bread that combines the taste of our sifted white wheat, peaches, cinnamon and nutmeg. If you're into French toast, give Peach Spice a try!

* May contain eggs or dairy.

Hearty Honey Whole Wheat

A hearty whole grain bread combining rich wheat flavor with the sweet taste of honey.

Country White

Pure white flour is blended with honey to make the best white bread ever! A favorite for French toast.

Country White & Honey Whole Wheat dinner rolls available daily!

Nine Grain

An incredible mix of grains! Lots of fiber and texture.

Raisin Cinnamon Walnut

Nearly ½ pound of plump, juicy raisins and walnuts combine with a light cinnamon flavor to create an excellent toasting or dessert bread.

Multiseed

Seeds, seeds and more seeds! Our whole wheat bread sweetened with honey and molasses then stuffed and topped with flax, sesame and sunflower seeds.
