A Brief History of Lee's

Lee & Alice Franks purchased Al's Place, a 12 seat beer joint in 1945. Around 1946 they began serving our famous fried chicken, a secret family recipe which started in Louisiana. Lee & Alice added on eleven times before the Famous Restaurant was purchased by long time managers Ozzie & Jan Wilcoxon in 1971. Oz & Jan have brought Lee's into another century by never making changes to the superb food quality and service Lee's is known for.
